Registered Training Organisation

A Registered Training Organisation (RTO) in Australia is a vocational education organisation providing training and assessment that results in qualifications and statements of attainment within the Australian Qualifications Framework (AQF). These qualifications and statements of attainment are recognised and accepted by industry and other educational institutions throughout Australia.

National Registration Information

SETS Enterprises Pty Ltd (SETS) is a registered business name for S.E.T.S Enterprises Pty Ltd.

All RTOs are given a national provider number, SETS's provider number is 52334.

SETS is a Registered Training Organisation (RTO 52334) and registered with the Australian Skills Quality Authority (ASQA) which is the Australian Federal Government training regulatory body.

RTOs registered with ASQA need to renew their registration every five or seven years and must pass an audit to do so, they can also be audited at any time during their registration period. SETS is due to renew its registration on 30 November 2022.

Title	SETS Student Handbook 2018					

When audited the RTO must prove that they have complied fully with the *Standards for Registered Training Organisations (RTOs) 2015* (the Standards).

Our Staff

The principal Kevin Broadbent of SETS has been involved in vocational training and staff development for over ten years, and thirty plus years' experience in the mining and construction industries.

All trainers and assessors who deliver programs for SETS are qualified Trainers and Assessors and are specialist in their training area and experience.

Code of Practice

SETS has developed a Code of Practice to address and establish its commitment to the maintenance of high standards in the provision of vocational education and training. The Code of Practice forms the foundation of all of our policies and procedures.

Client Feedback

SETS seek feedback from all clients on their satisfaction with services they have received.

You will be asked to complete feedback forms regarding both the quality of our training products and the services delivered. Please take the time to complete these forms. Feedback and / or suggestions can be provided to your trainer at any time throughout your training.

Services

SETS provide training and / or assessment services in three areas:

- Nationally Recognised Training
- Certificates of Competency, and
- Verifications of Competency

[Table 1](#) lists the explicit nationally recognised qualifications (6) and units of competency (23) on our scope of registration and that we currently deliver.

In addition to the explicit units of competency listed below, SETS may also deliver individual units of competency implicitly identified as elements of the qualification's packaging rules.

Currency Information

The Standards require that SETS transition from superseded to current versions of our registered training products within twelve months, unless the packaging rules of a specific qualification require the superseded unit be retained.

See [Table 1](#) for further information about the currency of our training products.

Third Party Provider Arrangements

RTOs may, from time-to-time, develop agreements with other organisations to deliver nationally recognised training and assessment or provide other services on behalf of the RTO, in these partnerships the other organisations are called third party providers (TPP).

SETS currently has agreements with the following third parties:

- Mount Magnet Pty Ltd
- Doray Minerals
- PWR
- Agnew Gold Ashanti
- Global Drone Solutions
- Master Builders Association WA
- IFAP

Although these third parties provide training and assessment or other student services, like fee collection, SETS is fully responsible for the quality and standard of those services so the information provided in this Student Handbook is still applicable.

See [Table 1](#) for further information about the training products our partners deliver through third party agreements.

Course Information

Full details and course information is available on the SETS website. www.setservices.com.au

Individuals and companies that book on courses will be provided information regarding their specific course when sent confirmation of their booking.

Unique Student Identifier (USI)

If you're studying nationally recognised training in Australia from 1 January 2015, you will be required to have a Unique Student Identifier (USI). Your USI links to an online account that contains all your training records and results (transcript) that you have completed from 1 January 2015 onwards. You will be provided with further information on how to obtain USI.

A USI is free and your application can be processed [here](#) online.

All clients undertaking nationally recognised training will need a USI.

Booking a Course

- To book a course, participants need to complete a Booking Form.

Version	4.0	Doc #: N/A	Revision Date: 27 Aug 2018	Next Review: 26 Aug 2019	Approved by: Michael Burdett	Page 6 of 25
Title	SETS Student Handbook 2018					

- No booking is confirmed until the completed Booking Form has been returned to SETS and SETS has returned a Course Booking Confirmation to the participant.
- Booking enquiries may be made verbally by phone, or by email.
- All prospective learners will then be emailed or faxed a Booking Form, or the Booking Form can be downloaded from the SETS website for completion.

Payment of Course Fees

Payment is to be made prior to undertaking a course. Payment may be made by cash, cheque, debit/credit card or direct debit. If paying by direct debit, SETS's bank account details are provided on our Booking Form or by phoning/emailing SETS. These bank details are also on our invoice.

A deposit of 50% of the full course fee, per person, is required at the time of booking.

In some circumstances SETS will invoice companies after training has been undertaken. This will be agreed upon between SETS and the company. SETS do prefer purchase orders in this instance prior to training commencing.

Cancellations, Refunds or Transfer of Courses

When a prospective learner accepts a placement on a course offered by SETS and pays fees, it creates a contract between the learner and SETS.

In the case of cancellation or withdrawal by the learner, the following cancellation policy applies to fees paid:

Notification Period	Fee Amount Refunded
More than 10 business days prior to course commencement	Full refund of fees
From 9 and 3 business days prior to course commencement	50% of fees
2 Business days (48 hours) or less prior to course commencement	25% of fees
Non-attendance on the day the course commences	No refund of fees

- The amount retained (50% or 25%) by SETS reflects the cost of staff and resources; at the point of cancellation or withdrawal, which will have already been committed based on the learner's initial intention, and contract, to undertake the training.
- Enrolments into short courses (one day) can also be transferred to an alternative date in cases where there is one available.
- Students who cancel their enrolment after a training program has commenced will not be entitled to a refund of fees.

Version	4.0	Doc #: N/A	Revision Date: 27 Aug 2018	Next Review: 26 Aug 2019	Approved by: Michael Burdett	Page 7 of 25
Title	SETS Student Handbook 2018					

There is no charge for a learner to transfer to another course with SETS. If SETS cancel a course, then a full refund will be made available to whoever paid that course fee.

Please note that fees may still apply for the processing of refunds.

Where refunds are approved, the refund payment will be paid to the learner, or whoever paid the fees, within 14 days from the time SETS received written notice to cancel the enrolment.

Refunds will be paid via electronic funds transfer using an authorised nominated bank account.

Exceptional Circumstances

Discretion may be exercised by the General Manager in all situations, if the learner can demonstrate that extenuating or significant personal circumstance led to their withdrawal. In these cases, the learner may be offered a full credit toward the tuition fee in another scheduled course in-lieu of a refund. If the General Manager deems it appropriate they may also authorise a refund of fees.

Note. If for any reason SETS is unable to fulfil its service agreement with a student, SETS will refund the learner's proportion of fees paid for services not delivered.

Terms used:

- “course” or “training” also includes the recognition of prior learning (RPL) process.
- “fees” means any fees paid including full payment, part-payment or deposit.

How to Request a Refund

Individuals

SETS understand that the circumstances under which an individual may need to cancel a course and request a refund vary so whilst written advice (email or txt) is preferred we will accept telephone notification.

Companies

Companies that cancel a course and require refunds must make the request in writing (email).

Your Consumer Rights

Prospective learners have rights as consumers, and Australian Consumer Law provides protection for consumers who purchase services. A full explanation of your rights as a consumer can be found at this location:

[Personal Services a Guide to the Australian Consumer Law](#)

Version	4.0	Doc #: N/A	Revision Date: 27 Aug 2018	Next Review: 26 Aug 2019	Approved by: Michael Burdett	Page 8 of 25
Title	SETS Student Handbook 2018					

Cooling Off Period

By law, you have 10 business days to reconsider an unsolicited consumer agreement (contract). During this time, you can cancel the contract without penalty. This is called the 'cooling off' period.

An agreement is considered to be unsolicited when:

- A supplier/salesperson approaches or telephones a consumer without that consumer having invited this contact;
- negotiations take place over the phone, or in person at a location other than the supplier's premises; and
- the total value of the agreement is more than \$100, or the value was not ascertainable at the time the agreement was made.

Further information regarding cooling off periods can be obtained from the Department of Commerce, [Consumer Protection](#).

RTO or Third Party Closing or Ceasing to Deliver Training

In addition to the rights provided by Australian Consumer Law (as above) it is requirement of our regulating body (ASQA) that should SETS; or any organisation delivering training on our behalf, close or cease to deliver training in which a learner is enrolled and who will NOT complete their training before we cease operating, SETS must arrange to transfer the learner to another suitable RTO (or other RTOs).

Should this situation occur SETS will formally notify each existing learner of the arrangements made and obtain their agreement to those arrangements, including any refund of fees available.

Further information is available [here](#) at the ASQA website.

Modes of Delivery

A delivery mode describes the way training will be delivered to support and enable learning.

Broadly speaking, there are three delivery modes:

- face-to-face
- self-paced (pre-course workbooks or in-course assignments), and
- blended learning (a combination of face-to-face and self-paced).

SETS provide training to its learners predominately through face-to-face delivery.

However, some courses we deliver through blended learning i.e., Provide First Aid requires learners to complete a pre-course workbook prior to attending.

Assessment

“Assessment means the process of collecting evidence and making judgements on whether competency has been achieved, to confirm that an individual can perform to the standard required in the workplace, as specified in a training package or VET accredited course.”

(Standards for Registered Training Organisations (RTOs) 2015 – Glossary)

Individuals are required to undertake assessments to demonstrate competency in units of competency. Encouragement and support will be provided throughout the assessment process. Any concerns or issues with undertaking assessments, should be discussed with the trainer so that additional support can be provided if required.

- Assessments are conducted according to the guidelines and standards outlined in the Training Package, adhering to the principles of assessment and rules of evidence.
- Competence is to be demonstrated over the full range of performance criteria to industry standards.
- Consistency of outcomes over a period of time will form the basis of assessment.
- Assessments will be carried out by qualified assessors.
- Clients will be provided with a number of opportunities to demonstrate competency for each unit, including the opportunity to re-assessed if required.
- SETS support reasonable adjustment of assessments and will work with clients to maximise opportunities for successful completion of assessment requirements.

There are several outcomes an assessor can arrive at following their judgement:

Competent [C]: Competent shows that sufficient evidence has been gathered to demonstrate achievement of the standard or objective.

Individuals judged as competent are issued the relevant AQF certification documentation. (See [Certification Documents](#))

Not Yet Competent [NYC]: Not yet competent shows that insufficient evidence has been gathered to demonstrate achievement of the standard or objective.

At the completion of a course or following assessment, if a learner is deemed not yet competent, after every effort has been made to achieve the required competency, SETS offers further training at a later date. This is discussed at the completion of the course and dates and costs, if necessary, are discussed.

Recognition of Prior Learning [RPL]: Competency is achieved through the Recognition of Prior Learning process. (See [Recognition of Prior Learning](#))

National Recognition/Credit Transfer [CT]: Recognition of a competent assessment judgement by another Registered Training Organisation. (See [National Recognition](#))

If you are aware of something that might impact your progression through training and assessment prior to course commencement, please notify us as early as possible to allow us to best cater for your needs. If you do not tell us prior to course commencement about an existing condition that may affect completion of training and assessment, SETS may not be able to provide the support or assistance required.

Every participant is given the opportunity to demonstrate their prior learning. Recognition may negate the need for training, but full assessments must be completed.

Participants can contact SETS for details relating to the requirements for Recognition of Prior Learning. Participants will be required to produce documentary evidence of their knowledge

Appendix 1

COMPLAINTS AND APPEALS POLICY

SETS view all complaints and appeals as an opportunity to improve the services we provide. Where a learner feels they have cause to raise an issue we encourage them to do so.

Complaints

This policy covers managing and responding to allegations involving the conduct of:

1. Our organisation including, our trainers, assessors and other staff
2. Any third parties providing services on our behalf including its trainers, assessors or other staff, and
3. Our learners.

Appeals

This policy also covers to requests for review of decisions, including assessment decisions, made by:

1. Our organisation, and
2. Any third parties providing services on our behalf.

Our approach to resolving issues:

In all cases we ask that if you feel comfortable doing so you first try to resolve the issue by speaking to someone about it.

Ideally the person you speak should be the person concerned, if not that person then someone you believe to be their supervisor or another person in authority.

If you are uncomfortable raising the issue in person then we ask that you answer six simple questions for us, but we will need enough information to take action on your behalf:

Question	What information we would like to know
Who	Who is the person you have the issue with? Their name is best if you have it or how you came into contact with them i.e., receptionist, person you spoke over the phone, etc.
What	What was it that raised your concerns? I.e. inappropriate behaviour, a decision you believe wasn't fair, an instruction you believe was unsafe, etc.
When	What was the date and/or course you were attending when the issue arose?
Where	Where did the issue occur? Tell us as much about the place where the issue occurred as you can.
Why	Tell us why you believe the issue occurred, i.e. misunderstanding during training, insufficient instructions provided, lack of sensitivity to diversity, etc.
How	How you would like the issue resolved? What would be your preferred outcome?

How to lodge your complaint or appeal.

You can answer these questions by any means you prefer, telephone, email, text, letter or note or ask us for a form.

Acknowledgement:

We have a regulatory obligation to acknowledge your complaint or appeal in writing so we will need enough personal information about you to do so, we will need your name and either a postal address or email address.

Natural Justice and Procedural Fairness:

Put simply, this means there are two views to every situation; yours and the other persons. So, we will afford all parties concerned an opportunity to give their view of the issue before any decisions are made.

Timeframes:

We are required to finalise complaints and appeals as soon as practicable (as quickly as reasonably possible).

Where we can resolve the issue at the time we will. If we can't resolve the issue at the time we will finalise it within five working days of you advising us.

If we think that the issue might take longer than 60 calendar days to process and finalise we will write and tell you so and the reason why, we will also give you regular updates on the progress of the matter.

What if we are unable to resolve the issue?

If we are unable to resolve the issue, and you ask us to, we will have an appropriate independent third party provide a review at no cost to you.

Your privacy is ensured:

We will take appropriate measures to ensure your personal details and the details of your complaint or appeal are kept secure.
